Gwendolyn Riesenber	Term expires 1985
Dorothy Weaver	Term expires 1984

REPRESENTATIVE TO THE GENERAL COURT

Daniel A. Eaton

SELECTMEN'S NARRATIVE

We end yet another year of our stewardship of your town affairs, and we wish to apprise you of things done and things yet to do. Quite importantly, we have ended the year with a surplus - tiny, but a surplus nevertheless.

The Town of Stoddard is unique in this area in that its 500 plus residents quintuple in summer, and it is the largest town in this area in square miles, both of which facts present problems.

We cannot laud our town officials enough, both paid and unpaid. We have one of the best trained and equipped Fire Departments in the area. Our town Police Officers are all state certified, as required by law.

Very special bouquets to Betty Weaver and her cemetery committee. The cemeteries have never looked better.

After months of negotiations, the Town has purchased new cemetery land, which is adjacent to the old cemetery on Center Pond road. Clearing, cutting and grooming the site should be completed by spring, with cemetery lots available shortly thereafter.

Present Selectmen have spent considerable time assessing property. The time spent was fruitful, as many additions and alterations to property were discovered by our efforts, as many people continue to build and add on without notifying the Selectmen. This is one more reason why we need zoning with building permits.

Being asked to accept remote roads continues to be an expensive problem for the town, with much litigation pending. We hope to see many of these matters resolved in 1984.

The Animal Control officers have done a super job. They have spent many hours in the field on animal abuse and registering dogs. They have nearly 100% registration on the dogs, and animal abuse calls appear to be going down.

The town's decision to go to private contracting for maintenance of our roads seems to have been the right choice. The condition of the roads now is considerably better than it was previously, and although there are several roads that need gravel, culverts, and extensive brush cutting, in 1984 we hope to continue to make progress.

The hail storm which came through town extensively damaged our town barn roof. Our insurance companies have reimbursed us for a new roof, which will be put on in early spring.

Solid waste disposal has become probably the single biggest problem for municipalities in New Hampshire, affecting pure water supplies and health. By recently enacted state law, all towns and cities in New Hampshire must join a solid waste program by October, 1983. Stoddard belongs and pays dues to the South Western New Hampshire Solid Waste District, along with the twenty-one other towns in Cheshire County and the City of Keene. The dump committee that was formed to consider alternative sites has reported back to the selectmen.

The selectmen strongly feel that, in light of projected solid waste programs, that it would be inconsistent to fix up a **new** site for solid waste and that we follow the state's suggestion and clean up our present site at a minimal cost to the Town, and wait out the decisions of the State and other towns and cities in our area.

All three selectmen attended the hearings on the school budget and found no places to cut even a few dollars from the budget. The school board members are to be commended for the fine job they are doing. Again, the escalating costs of education, even in a small town like Stoddard, means a rising tax rate.

As more people make complaints and question property lines and ownership, the more we urgently need proper property maps. For this, we are asking for money in an article in the warrant, and release of \$15,000 in Capital Reserve Funds, requiring another article in the warrant.

We are still shooting for a revaluation in 1985, but we must have new maps, without which no one will accept responsibility for revaluation.

The Planning Board and Selectmen were disappointed that zoning was voted down. The only reason for its failure must be that the regulations, which are long and boring to read, were ignored, or voters did not take the time or interest to absorb the actual content of the regulations.

There were **no** restrictions on where you can build.

There were **no** restrictions on what you build.

There were **no** restrictions on what size.

There were **no** restrictions on materials.

There were **no** restrictions on signs or fences.

Plain and simply, it establishes building lot sizes and building permits before building takes place, the latter to give your selectmen a handle on assessing new construction. This ensures that all of us pay our share of taxes, and it maintains orderly growth in the town.

We recognize that many residents, long time or short time, fear zoning because they feel they will be restricted on putting up a chicken shed or tool shed or garage, back porch, etc. This is simply not true, and those who spread such beliefs and rumors are doing a disservice to all the others in town.

Experience has shown, all over the State of New Hampshire, that if no specs are placed on the size of lots and septic systems, the Town grows irregularly and badly.

It is understandable that many long-time residents have an antipathy towards government control of their property, but in the final analysis, they are the lawmakers, and can, at any town meeting, vote to eliminate any repressive policies. We hope this clears up any misunderstanding. Please ask Selectmen and Planning Board members about any reservations and questions you may have. After all, you elected us to do a job!

Selectmen appointed a new Health Officer, Brad Pratt, who has been doing long-overdue testing on Highland Lake, Granite Lake, and Center Pond. We consider this to be an important task, as we are all aware our lakes are a major resource for Stoddard.

Other than expensive litigation, involving our roads, the Selectmen have enjoyed a normal - even smooth year. We extend our sincere thanks to **all** town officials and you, the public, for making this a fine town in which to live and vacation.

Harry Power
Joan Zelasny
Charles Eaton
Selectmen of Stoddard

TOWN OF STODDARD TOWN WARRANT

The polls will open from 1:00 p.m. to 7:00 p.m.

To the inhabitants of the Town of Stoddard in the County of Cheshire in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Stoddard on Tuesday, the Thirteenth of March next, at one of the clock in the afternoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

You are hereby notified to meet at the Town Hall in said Stoddard on Tuesday, the Twentieth day of March next at 7:00 of the clock in the evening to act upon the following Articles 2 through 29.

2. To see if the Town will vote to raise and appropriate the sum of \$54,460.00 to defray Town Charges for the ensuing year.

3. To see if the Town will authorize to change the terms of the offices of Tax Collector (RSA 41-2a) and Treasurer (RSA 41-26a) from a one year to a three year term.

4. To see if the Town will authorize the Selectmen to promulgate rules and regulations concerning Town Landings.

5. To see if the Town will vote to raise and appropriate the sum of \$7515.00 for the maintenance of the Police Department for the ensuing year.

6. To see if the Town will vote to raise and appropriate the sum of \$1050.00 for the purchase of a #357 Magnum handgun for \$250.00, a pager for \$300.00 and a radio for \$500.00 for the Police Department.

7. To see if the Town will authorize the Selectmen to sell the existing police radio to the Fire Dept. with the proceeds to be applied to the purchase of a new police radio.

8. To see if the Town will vote to raise and appropriate the sum of \$1500.00 for charges created by juvenile court cases.

9. To see if the Town will vote to raise and appropriate the sum of \$9500.00 for the maintenance of the Fire and Rescue Departments for the ensuing year.

10. To see if the Town will vote to appropriate the sum of \$4000.00 for a Rescue Van and authorize the withdrawal of this amount from the Capital Reserve Fund.

11. To see if the Town will vote to authorize the withdrawal of an amount up to \$2000.00 from the Revenue Sharing Fund to apply to the purchase of a Rescue Van.

12. To see if the Town will vote to authorize the Fire and Rescue Department to sell the old Rescue Van to the highest bidder-the proceeds thereof to be applied to the purchase of a new Ruscue Van.

- 13.** To see if the Town will vote to raise and appropriate the sum of \$20,000.00 for the maintenance of Highways and Bridges and to authorize the balance of \$6500.00 needed to be withdrawn from the Highway Block Grant Fund.
- 14.** To see if the Town will vote to appropriate the sum of \$5491.60 for special road projects and to use the balance of the 1983 TRA funds for this purpose.
- 15.** To see if the Town will vote to appropriate the sum of \$5000.00 to seal-coat School Hill Road and to authorize the withdrawal of that amount from the Federal Revenue Sharing Fund.
- 16.** To see if the Town will vote to raise and appropriate the sum of \$1000.00 to donate to the Marlow Ambulance.
- 17.** To see if the Town will vote to raise and appropriate the sum of \$357.75 as it's share for the support of the Monadnock Family and Mental Health Service.
- 19.** To see if the Town will vote to raise and appropriate the sum of \$19000.00 for the maintenance of the Trash Transfer Station for the ensuing year.
- 20.** To see if the Town will vote to appropriate the sum of \$6100.00 to fence in and develop the Solid Waste Transfer Station, known as the Town Barn, and to authorize the withdrawal of the amount required from the Federal Revenue Sharing Fund.
- 21.** To see if the Town will vote to raise and appropriate the sum of \$2000.00 for the maintenance of the Public Library.
- 22.** To see if the Town will vote to raise and appropriate the sum of \$50.00 for the support of the Monadnock Region Association, or take any other action relating thereto.
- 23.** To see if the Town will adopt the provisions of RSA 72-43F for the adjusted elderly exemptions for qualified taxpayers. By Ballot.
- 24.** To see if the Town will vote to authorize the Selectmen and Treasurer to borrow money in anticipation of taxes.
- 25.** To see if the Town will vote to raise and appropriate the sum of \$10,000.00 for new Tax Maps as required by the State of New Hampshire to accomplish a complete revaluation, and to authorize the withdrawal of \$15,000.00 from Capital Reserve Funds to defray the remainder of the expense for this purpose.
- 26.** To see if the Town of Stoddard shall call upon the Governor and Executive Council, its State Representative and State Senator to promptly convene a Special Session of the Legislature for the sole purpose of preventing the imposition of huge cost increases in electric rates resulting from the Seabrook Nuclear Power Plant on the citizens, businesses, schools and agencies in the Town of Stoddard, and to direct the Selectmen to promptly notify our above listed elected officials of the Town's desire. BY PETITION.

27. To see if the Town will authorize the Selectmen to apply for and accept gifts and or Federal or State Aid in the name of the Town of Stoddard, for the protection of Rye Pond in Stoddard, and grant the Selectmen power to expend such funds for the said purpose of the protection of Rye Pond in Stoddard.

28. To see if the Town will authorize the Selectmen to relinquish any rights, interest or title of the Town to the property known as the "Fire Hole" at Mt. Stoddard Road and Rte. 123 presently owned by Dr. George Cahill.

29. To transact any other business that may legally come before said meeting.

Harry Power

Question: "Are you in favor of the adoption of the zoning ordinance as proposed by the Planning Board?"

95	YES
103	NO

Art. 2: To see if the Town will vote to raise and appropriate the sum of \$47,366.50 to defray Town charges for the ensuing year. Article carries.

Art. 19: To see if the Town will vote to change the classification of the Bailey Road, also known as the Old Stoddard Road, from Route 123 to the Nelson Town line, from a Class V road to a Class VI road. A final Amendment was adopted to read: The Bailey road will be changed to a Class VI road unless the Town of Nelson agrees to partake in Winter plowing and repair of the road with a financial agreement agreeable to the Board of Selectmen of Stoddard. This Amendment was carried.

Art. 3: To see if the Town will vote to raise and appropriate the sum of \$15,300 for Summer maintenance of Highways & Bridges. Article carries.

Art. 4: To see if the Town will vote to raise and appropriate the sum of \$11,000.00 for the Winter maintenance of Highways & Bridges. Article carries.

Art. 5: To see if the Town will vote to raise and appropriate the sum of \$360.00 for T.R.A., so-called. Article carries.

Art. 6: To see if the Town will vote to raise and appropriate the sum of \$300.00 for the maintenance of public landings for the ensuing year. An amendment to raise the figure to \$1,500.00 fails on a voice vote. Art. 6 carries.

Art. 7: To see if the Town will vote to raise and appropriate the sum of \$9,090.00 for the maintenance of the Fire and Rescue Departments for the ensuing year. Article carries.

Art. 8: To see if the Town will authorize the Selectmen to sell the existing mobile radio used by the Police Dept., and to purchase a new portable radio and pocket pager and to raise and appropriate the sum of \$1,200.00 for this purpose. An Amendment to raise this figure to \$1,500.00 was adopted. The Amendment carries.

Art. 9: To see if the Town will raise and appropriate the sum of \$5,300.00 for the maintenance of the Police Department for the ensuing year. Motion moved to raise sum to \$6,500.00. Article carries on a voice vote and show of hands to raise \$6,500.00.

Art. 10: To see if the Town will vote to raise and appropriate the sum of \$450.00 for the Animal Control Officers for the ensuing year. Article carries.

Art. 11: To see if the Town will vote to raise and appropriate the sum of \$2,000.00 for street lights for the ensuing year. Article carries.

Art. 12: To see if the Town will vote to raise and appropriate the sum of \$2,275.00 for the maintenance of the Public Library for the ensuing year. Article carries.

Art. 13: To see if the Town will vote to raise and appropriate the sum of \$18,100.00 for the maintenance of the Solid Waste Transfer Station for the ensuing year. An Amendment to pass over this article defeated. Article carries.

Motion to consider Article 18 next carries.

Art. 18: To see if the Town will vote to raise and appropriate the sum of \$5,700.00 to fence in and develop the Solid Waste Transfer Station, known as the Town Barn, and to withdraw this amount from Revenue Sharing Funds and the balance \$3,751.00 to be applied to the resurfacing of Town roads. Total amount \$9,451.00. **1st Amendment:** The Selectmen withdraw the amount of \$3,751.00 from Revenue Share Funds for resurfacing Town roads and appoint a committee of 5 to further investigate a transfer station. **2nd Amendment:** To see if the Town will authorize the Selectmen to withdraw \$5,700.00 from the Revenue Share Funds and with the advice of a committee of 5 apply that amount to develop a better trash transfer station and to withdraw \$3,751.00 to resurface Town roads. 2nd Amendment passes on a voice vote. Art. 18 carries as amended.

Art. 14: To see if the Town will vote to authorize the Selectmen to hire a competent person to update the Town Tax Maps and to raise and appropriate the sum of \$2,000.00 for this purpose. Motion to table this article fails. Article carries.

Art. 15: To see if the Town will vote to raise and appropriate the sum of \$2,000.00 to be used as a Capital Reserve Fund for the Fire Dept. An

Amendment to raise and appropriate the sum of \$4,000.00, \$2,000.00 to be put in a Capital Reserve Fund for the Fire Department and \$2,000.00 to be put in a Capital Reserve Fund for the Rescue Squad was adopted. Art. 15 carries as Amended.

Art. 16: To see if the Town will vote to authorize the Selectmen and the Treasurer to borrow money in anticipation of taxes. Article carries.

Art. 17: To see if the Town will vote to participate and support a regional solution to handling solid waste, either by agreeing to accept a land-fill site in the Town, providing cover material from that Town, accepting an alternative operation in the Town, or agreeing to whatever aspect of a regional solid waste operation appears to be sensible to serve the region so that a good cooperative regional Solution will be a reality and a commitment until 7/1/84. Article carries.

Art. 18: Acted on between art. 13 & 14

Art. 19: Acted on between art. 2 & 3

Art. 20: To see if the Town will vote to raise and appropriate the sum of \$3,500.00 for a new water well and plumbing for the Town Hall. **1st Amendment** made to update the water system. **2nd Amendment:** To raise and appropriate the sum of \$500.00 for repair of the Town Hall present water system at the old school site. 2nd Amendment carries.

Art. 21: To see if the Town will vote to authorize the Board of Selectmen to negotiate a settlement of a petition to quiet title filed in the Cheshire County Superior Court by William Kelly, Sr. & May M. Kelly concerning land on Kings Highway variously known as the Potter "Farwell Place", so-called, the Potter "Tuttle and Horton" land, so-called, and the Baldwin lot, the authority of the Selectmen to include power to convey the Town's interest in the premises at a price determined by the Selectmen to be fair and reasonable, or the negotiate such other settlement of this dispute over the title to this land as the Selectmen in their discretion, shall deem appropriate and in the best interests of the Town of Stoddard. Article carries.

Art. 22: To see if the Town will vote to raise and appropriate the sum of \$50.00 for the support of the Monadnock Region Association, or take any other action relating thereto. Article 22 was indefinitely postponed.

Art. 23: To see if the Town will raise and appropriate the sum of \$600.00 to repair erosion at the old Town Dump site. On a voice vote and show of hands Article 23 carries.

Art. 24: To see if the Town will donate the land on which the old Stoddard School was located, to the Stoddard Congregational Church. The Town of Stoddard to retain water rights thereto. Article carries.

Art. 25a: To see if the Town will vote to have the Appraisal Division of the Department of Revenue Administration conduct a complete revaluation starting 1985 or thereafter. To establish a Capital Reserve Fund for the purpose of conducting such a valuation and to appoint the Selectmen as agents to administer the Fund. Article carries.

Art. 25b: To see if the Town will vote to raise and appropriate the sum of \$15,000.00 to be placed in the Capital Reserve Fund for revaluation of the Town by the Appraisal Division of the Department of Revenue Administration. Article carries.

Art. 26: To see if the Town will vote to go on record in support of immediate actions by the Federal Government to control and reduce acid rain which is harmful to the environment and economy of Stoddard, N.H., and to the health and welfare of the people of Stoddard, N.H. These actions shall include: 1. Reduce by at least half the major cause of acid rain, sulfur dioxide emissions, by the year 1990.

2. Conclude negotiations with the government of Canada that will commit both nations to this same goal.

BY PETITION

Article carries.

Art. 27: To see if the Town will authorize the Selectmen to rent or lease the Old Fire Station building. Article carries.

Art. 28: To see if the Town will authorize the Selectmen to purchase suitable land for a cemetery and to raise and appropriate the sum of \$7,500.00 for this purpose. An Amendment to read: To authorize the Selectmen to purchase suitable land for a cemetery, to raise and appropriate the sum of \$7,500.00 for the purpose of acquiring suitable land for a cemetery, preparing the site, and any balance unexpended to be used for the care of all cemeteries in the Town. Article 28 carries as amended.

Art. 29: To see if the Town will adopt the provisions of RSA 72:43-F for the adjusted elderly exemptions for qualified taxpayers. **BY PETITION** Article carries.

Art. 30: To transact any other business that may legally come before said meeting.

Objections to Valuations & Taxes of Resident & Non-Residents not printed in this years Town Report. Rick Bouchard reads RSA they must be made available to the townspeople. Charles Eaton, Selectman, promises that they will be published in next years Town Report.

Meeting adjourned at 10:05 PM

All newly elected & re-elected persons, both School & Town offices, were sworn in by the Moderator.

Respectfully submitted,

Joan Read

Town Clerk

This is a true copy from the minutes of the Town Meeting, Town of Stoddard, March 15, 1983.

SPECIAL TOWN MEETING Stoddard Town Hall - November 15th, 1983

To see what action the Town will take on a zoning ordinance submitted by the Planning Board. Vote will be by written ballot.

Question: "Are you in favor of the adoption of the zoning ordinance as proposed by the Planning Board?"

Final Count:

YES	57
NO	81

STODDARD FIRE AND RESCUE DEPARTMENT

This year, the Fire & Rescue Department answered a total of 42 calls, broken down as follows: 4 Structure Fires; 9 Chimney Fires; 5 Brush Fires; 4 Mutual Aid Calls; 5 Auto Accidents; 15 Rescue Calls. The total number of calls is slightly less than the average of past years, but bear in mind, the four structure fires were all very severe, three of which we can proudly say were saved structurally. Route 9 showed us some terrible auto accidents last year, and Stoddard Fire & Rescue personnel did an excellent job, with the help of both Marlow Ambulance and Keene Ambulance personnel.

Again, the Fire & Rescue Department sponsored a Fire Prevention program for the children at the Stoddard Elementary School. This was done during Fire Prevention Week in October.

Three years ago, the Rescue Department grew to a point where it was necessary to purchase a vehicle to house and transport all the equipment that was aquired through past years. At that time, we purchased a 1972 Ford van, for which we paid \$300.00. Members of the Fire & Rescue Department did the body work that was necessary, along with all mechanical work needed to prepare the van for the road. Money was raised to buy the paint, and Land Contractors donated their time and skill to do the painting. The van has served us pretty well for the last three years, but now the engine and transmission both need replacement, and it needs extensive work to prepare it to pass state inspection. For this reason, we hope the people of the town will vote to allow the Fire & Rescue Department to spend the money from our Capital Reserve Fund for the purchase of another vehicle. At this time, committees are gathering prices on both new and used vehicles that would suit our needs. This information will be available at Town Meeting.

We wish to thank all those who donated to the department this year, and we hope to see everyone this summer at our annual chicken barbeque and the ham and bean suppers. And don't forget, the Department still cleans chimneys, pumps, wells and cellars free of charge to all townspeople. For any of these services, call Chief Don Fleming at 446-3987, or Deputy Chief John Cressy, 446-7159.

Respectfully submitted,
Chief Don Fleming
Deputy Chief John Cressy
Captain Rick Canfield
Lieutenant Brian Cahill

REPORT OF ANIMAL CONTROL OFFICERS

We wish to take this opportunity to thank all of you for being so cooperative concerning Animal Control. Though we acted on 57 calls (not including the numerous complaints handled by phone and those reported to us after the fact), a number far in excess of past years, we feel the increase is due to the fact that residents in Stoddard are more conscientious about reporting stray or local dogs running at large. A large percentage of our calls were from residents reporting their own dog to be missing and concern that the animal might be creating a problem for someone else.

Unfortunately, this year we handled four cases involving the tormenting, mutilation and death of helpless, pen-confined animals. The dogs involved were all friendly and otherwise ideal household pets. It just seems that when more than one dog get together to run, their ultimate goal is to get into trouble. We ask that for its own safety, everyone make that special effort to keep your dog in its own yard.

On the matter of animal neglect and abuse. We saw too many cases this year. The sad part is that we just happened to stumble on a few and the majority were reported by people who got angry with the offenders about matters not even concerning the animals involved. There were a few who are really concerned and did keep us informed routinely. An animal feels cold, thirst, hunger and pain just as a child would. It hurts to think of the animals we have had to see suffering, usually silently and patiently. What hurts worse is to think of the pain that we will never see because people are afraid to report such things because of fear of reprisal or reproach. Please, if this is your concern, just call the Humane Society at 352-9011. Your call can be anonymous. They will then contact us and not even we will know who reported the incident. We urge you to consider this when you look at your own well-cared for animals.

Thank you.

Respectfully,
Cynthia Bingham & Joan Zelasny
Animal Control Officers

REPORT OF THE PLANNING BOARD TOWN OF STODDARD

Members of the Planning board in 1983 were Charles Fosberry, Chairman, Jane Abert, Laura Fletcher, Lucy Hill, Earle Lund, Frances Rumrill, and Harry Power, Selectman Representative.

The Planning Board met formally 19 times, granting two subdivision requests, denying two requests, and consulting with three other individuals who did not proceed with formal subdivision requests.

Members of the Board attended a series of four lectures regarding legal aspects of changes in the State of N.H. land use regulations becoming effective January 1, 1984.

The Board presented a unanimous statement with regard to the Valley Road situation to the Board of Joint Commissioners reviewing that problem. The position of the Planning Board was that laying out Valley Road as a public road at this time would lead to scattered and premature growth and unusual tax burdens for the Town.

Of great significance and disappointment to the Board was the effort in 1983 to present an acceptable zoning ordinance for consideration and adoption by voters of Stoddard. Such proposals were rejected twice in 1983. It is the opinion of the Board that Stoddard should adopt a zoning ordinance in the near future to avoid scattered growth creating excessive increases in taxes and to protect the quality of the lakes in the town. Such an ordinance should not be restrictive to landowners, or affect current dwellings, but should be a tool to control growth avoiding large increases in town expenses and taxes. With no form of zoning ordinance, any type of construction might occur with no town control or input (trailer parks, industrial or commercial development, etc.). Lack of a zoning ordinance may one day result in serious negative consequences for Stoddard.

There appears to be a problem of communication with voters in Stoddard. Despite efforts of the Board and of the Selectmen to publicize them, public hearings to present proposed zoning ordinances and to invite public participation were poorly attended (Jan. 18, 18 people; July 20, 17 people; Sept. 29, 17 people). The Board frankly does not know how to promote greater public participation. Suggestions will be welcomed.

Efforts in 1984 will be redirected to completion of a suitable Master Plan. I would like to thank members of the Board for their participation and effort.

Respectfully submitted
Charles Fosberry

POLICE DEPARTMENT REPORT

Town of Stoddard

As I started to write this year's police report, I started reflecting on the past year. As I progressed, I realized that instead, we should be looking to the future. To that end, the best summary would be to say that we need help!

During 1983, traffic accidents stayed level, while burglary, vandalism, and juvenile offenses all increased. Alcohol and drugs have reared their ugly heads.

Recent figures indicate that the overwhelming majority of crime is alcohol and drug related, and the "if only" syndrome:

"If only I hadn't needed drugs, I wouldn't have done that burglary".

"If only I hadn't been drunk, I wouldn't have thrown the rock through the window".

"If only I hadn't had that one last drink, I wouldn't have killed those people with my car".

To combat these problems, we need help in many areas.

BURGLARY & TRAFFIC - We need help in attaining a budget capable of allowing a semi-regular patrol. This will allow your police Department to keep a handle on traffic problems and to discourage and more readily detect burglary. Until we can do this, we can only continue to give cursory service to problems that have already occurred. Somewhat akin to closing the barn door after the horses have gotten out.

JUVENILE - Long gone are the days of families with 5, 6 or 8 children which allowed playmates and games all inclusive under one roof. Children now have expanded their territories, and are more sophisticated at 10 or 12 years old as many of us were at 16 or 18. We need the cooperation of parents in keeping a better handle on their children's whereabouts and the hours they keep. We also need the help of the town in looking to the future by providing a community center, such as the old firehouse, for kids to congregate and play or a ball field and basketball court. We can invest in our children this way and provide constructive services, or we can pay a more costly price through increased juvenile crime, and increased insurance rates.

TRAINING - Although all of your officers have been certified, that is reaching only the minimum requirements. As of April, 1984, the training program that the present police officers went through, will more than double in hours and in scope. It has been shown nationally that the more training a police department obtains, the more cost effective it becomes, and the threat of civil liability decreases. We need the town's help in attaining additional funds for continued in-service training. This will help the police officer better and more quickly do his job and lessen the risk of the town encountering million dollar law suits.

As of 1984, we have started participating in a County Police Association that meets once a month. The purpose of this is to provide a cross flow of information between all the local departments, as well as county sheriffs and state police. This has already shown to be helpful in identifying similarities in crime, and creating a group effort in solving them.

Over the past five years, Stoddard has gone through many changes. Five years ago, the police department handled just over a hundred calls per year. As of January 31, 1984, we have handled 108 calls in just one month.

We expect that during the next five years, we will experience many more changes, and an ever-increasing quantity and complexity of calls. To meet this challenge, we will need your help much more. During past years, we have been gratified by the support and extra eyes and ears of the townsfolk. We have also been aware of those who either did not want to get involved or did not want their voice recognized on the phone. To increase the help we need from the towns people, we ask that if you are aware of crime or suspicious activity, PLEASE CALL MUTUAL AID @ 352-1100. You do not need to give your name. Just identify the general nature of the problem and location. This will insure your total anonymity.

To provide better and quicker service to you, we have obtained the assistance of Chief Charles Woods to cover the Washington end of Stoddard, and Chief Michael Blaudschun to cover the Granite Lake end of town. Both of these officers are trained professionals, and familiar with the people and problems in the area.

As always, we are available to meet with you at any time to discuss problems you may be having in your area or with your children. We are also willing to meet with children in town in complete confidentiality to discuss their individual problems. We hope parents will not object and that they will make their children aware of this service. It is sometimes easier for children to discuss problems with an independent party, particularly if they know the discussion will be held in strict confidence.

1983 was a tough year. We hope 1984 will be better. We thank you for your past support, and look forward to your help in the future. It has been a pleasure serving you.

Daniel Adams Eaton
Chief of Police

ANNUAL
SCHOOL REPORT
TOWN OF
STODDARD
NEW HAMPSHIRE

STODDARD SCHOOL DISTRICT
School Warrant

To the inhabitants of the School District of Stoddard qualified to vote in District Affairs:

You are hereby notified to meet at the Stoddard Town Hall in said District on the first day of March, 1984 at seven thirty o'clock in the evening to act upon the following subjects:

1. To choose by non-partisan ballot the following School District officials:
 - A. Moderator for the ensuing year
 - B. Clerk for the ensuing year
 - C. Treasurer for the ensuing year
 - D. One School Board Member for the ensuing 3 years
 - E. Auditor for the ensuing year
2. To determine and appoint the salaries of the School Board and fix compensation for any other officers or agents of the District, or to take any other action in relation thereto.
3. To hear the reports of Agents, Auditors and Committes or Officers chosen and pass any vote relating thereto.
4. To see what sum of money the District will vote to raise and appropriate for the support of schools, and for the payment of salaries of School District Officials and agents and for the payment of statutory oblications of the District or to take any other action in relation thereto.
5. To see if the District will vote to establish a School Lunch Program as legislated under RSA 189:11a and to raise and appropriate the sum of \$3,000.00 to defray the cost of implementing, equipping and operating the program for the 1984/85 school year, or to take any other action in relation thereto.
6. To see if the District will vote to authorize the School Board to apply for, accept and expend, without further action of the School District meeting, money from any source which becomes available during the fiscal year upon the following conditions:
 - A. The money must be used for the legal purposes for which the School District can appropriate money.
 - B. The School Board must hold a public hearing on the action to be taken.
 - C. It shall not require the expenditure of additional School District funds.

This action is taken pursuant to the authority of RSA 198:20b, or take any other action in relation thereto.

7. To transact any other business that may legally come before said meeting.

Given under our hands at said Stoddard this 2nd day of February 1984.

*Philip Hamilton
Suzanne Bernier
Gordon Garnett*

SUPERINTENDENT OF SCHOOLS

Annual Message

During the past year there have been many positive developments in our school.

— The Third Annual "Promising Educational Practices Award Program" of Unit 24 selected a Stoddard program as one of the thirty-nine competitively determined award recipients.

The PEP Awards booklet distributed to all staff on Unit 24 describes the innovative program as follows:

A NEW LOOK AT NEW HAMPSHIRE

When Chief Justice Douglas reminded teachers it was the 200th Anniversary of the New Hampshire Constitution we decided to celebrate this in Stoddard. The 4th, 5th, and 6th grade students went to the Town Library on Friday afternoons for 12 weeks. They discussed and interpreted the Constitution as to its relevance in their lives. Senator Wiggin and Councilman Spaulding were guest speakers. Refreshments were served and parents invited. Volunteer mother, Vicki Marshall, assisted with the program.

This is the third PEP Award received by our teacher Barbara Cutting and we commend her for her efforts to bring excellent educational programs to Stoddard's students.

— Federal Block grant monies have been used to purchase a number of instructional programs for students. A grant of \$700. has made \$4,500. worth of materials available to our students.

— The Superintendent of Schools, School Board, teacher and aides worked together to introduce an appropriate homework policy and to place a renewed emphasis on the development of writing skills.

— Our teacher has attended training sessions to expand her skills in the teaching of computer literacy.

— She has also conducted an outstanding unit on proper nutrition.

— Instruction in the basic subject areas continues to be a strong aspect of our program.

— Reports from the Keene school system indicates that Stoddard students are generally progressing well in school.

Ralph Minichiello has left the position of Assistant Superintendent to take the position of Principal of Hillsboro-Deering Middle School. Ralph was an excellent worker in behalf of the students of Stoddard and is to be commended for his work in behalf of the District.

All efforts have been made to restrict the 1984-85 budget as much as possible, while still providing a quality educational program. However, the

increase in the number of students attending Keene High School, the increase in tuition costs to Keene and increasing special education costs have combined with some significant impact on the proposed budget. These increases are basically unavoidable.

The continued support of the citizens of Stoddard for the education of the town's children has been the most important reason for the success of our programs. Your support is deeply appreciated.

Respectfully submitted
Thomas J. Watman
Superintendent of Schools

STODDARD SCHOOL DISTRICT PTA REPORT

The Stoddard PTA meets on the first Wednesday of the month at 7:30 P.M. at the School. Officers for the current year include Debbie Colman, President, and Barbara Cutting, Secretary-Treasurer.

This year our entire membership is taking turns being Vice-President. Here's how it works: Each month, two members take charge of the activities for the month. They organize hot dog days, provide refreshments for our meetings and oversee all fundraising activities. So far the plan is working very well and I would like to take this opportunity to thank everyone for a super job!

Our activities for this year have included a "Fun Day" over February vacation for the kids, a Pot Luck Supper honoring Joan Read in April and the annual School Picnic in June. We held a bake sale at Town Meeting, and provided refreshments for 4-H Achievement Night and prizes for Prize Speaking in June. We jumped back in September with a Get-Together Supper, a Halloween Party for the kids in October, a very successful "Harvest Basket" raffle and a memorable Silent Auction in November, and our most special activity of the year, Santa's annual visit to the School Christmas program.

In November Debbie Colman and Vicki Marshall attended the PTA State Convention in Keene, and returned with two awards. We received an "Honorable Mention" for adherence to state guidelines for operation, and a certificate for a membership increase of 99%! Again, many thanks to all the members of the organization for a great job!

We've taken on an ambitious project for this year. We hope to be able to purchase a printer for the School's computer. We've made a great start, but this is a rather large financial undertaking. So expect to see us cooking and baking, stuffing hot dogs into buns, raffling and generally fundraising during the next few months, and join us, the first Wednesday of the month . . . for the kids!

Debbie Colman, President
Stoddard PTA

TOWN OF STODDARD SCHOOL BOARD REPORT

It has been a relatively quiet school year to date. Enrollments have increased at the elementary and junior/senior high school levels.

We wish to welcome our new teacher's aid, Miss Beth Kemp. In addition to her regularly assigned classroom duties, Beth also works with our special needs students.

The transportation needs of the Stoddard School District have been supplied by Cheshire Transportation this year. A change in the school hours for the elementary school was necessary, but seems to be working out satisfactorily.

The board found it necessary to adopt a school bus policy for discipline problems. The bus rules and regulations set up in the past were not being followed by some of the riders. Although we became very unpopular with some of the riders for a while, the situation now seems to be under control.

The board hired a local painter to repaint the school's multipurpose room, and the two bathrooms. The outside of the school will have to be repainted soon. We have budgeted for the painting in this years budget - based on an estimate.

The Stoddard board adopted a policy for the school district regarding homework. As stated in the policy, the purpose of this homework is to help students become self-directing, independent learners. The homework assignments shall support clearly defined school and classroom objectives and shall be used to reinforce or enhance school experiences.

School board meetings are held the first Thursday of each month at the James M. Faulkner Elementary School, at 7:30 p.m. The public is invited to attend, and any individual wishing to appear before the board may contact the board chairman and be placed on the agenda.

It has been a pleasure working with board member Gordon Garnett. Because of business commitments, Gordy chose not to run for another term. Thanks for your contributions on behalf of the Stoddard School District.

Philip Hamilton, Chairman
Suzanne Bernier
Gordon Garnett
Stoddard School Board

TEACHER'S REPORT

The educational program stresses Math, Metrics, Health, Social Studies, Science, Physical Education, Music and Art. Our Language Arts program has the following components: Reading Comprehension, Grammar, Structural Skills, Meaning, Creative Writing and Reading for enjoyment. The manner in which the students are taught is varied. Some subjects are taught in small, on grade level groups, while others are done individually and independently. Occasionally, we work in large mixed grade level groups.

Some of the people who have contributed to the success of the school this past year are: Paraprofessional Aids: Ann Fitz, Robin Durham, and Beth Kemp; Music Teacher: Karen Desrosiers; Nurse: Gail Johnson; Volunteer Physical Education Teacher: Mary Conklin; Volunteer Art Teacher: Beverly Power; Custodians: Annette Read, Leslie Peate and Ann Lord; Bus Drivers: Joan Read, Judy Hayes, Diane Halter and Betty Weaver. Many thanks goes to the P.T.A. for helping with and funding some of our special programs.

We have continued with the traditional programs of the past. In the spring, Prize Speaking and Memorial Day Services were held. We had our "End of the Year Picnic" at Granite Lake in June. Since school has started we have had our Annual Halloween Costume Parade and Christmas Program. In June of 1983 our special field trip was to the Aquarium and the U.S.S. Constitution. Everyone enjoyed this, including the many parents who chaperoned.

In cooperation with the Guidance Department at Keene Junior High School, several programs were planned for the sixth graders. These included a slide presentation, a question and answer period, a visit to Junior High School, and a special meeting to acquaint parents with the Junior High School.

With the help of Dr. Linda Morley, Professor of Folklore at New England College, we were able to obtain a \$400.00 matching grant from the New Hampshire Commission on the Arts. This is part of the "Artist in the School" program. The children enjoyed the many artists and folk specialists who visited us.

Margaret MacArthur, a folk singer from Vermont, came in June and we wrote a song about our trip to Boston. Cal, a young man from Australia, taught us how to make string figures. We also enjoyed story teller, Cora Bard, and musician Dudley Laufman. In May we traveled to Marlborough for a joint assembly with them.

Several special programs were enjoyed in 1983. Back by popular demand was our 2nd annual overnight. Because of the cold weather it was held inside. It's surprising what good cooks the children can be at breakfast time. Slide presentations were given by I.T.F.E. students from Cheshire County Extension Service. In October the Extension Service brought two very special visitors to school, a mother cow and calf. This was part of their "COW TO SCHOOL PROGRAM". We participated in the Classroom Flouride Mouth Rinse Program along with brushing and flossing sponsored by the Bureau of Dental Health. In November the entire school worked on a unit about "NUTRITION". The pickle tasting party brought some lively comments by all.

Last spring, the older students did a twelve week unit on "A NEW LOOK AT NEW HAMPSHIRE" with volunteer mother, Vicki Marshall. They met at the town library and discussed the New Hampshire Constitution and it's relevance to their lives. Senator Wiggin and Councilman Spaulding were guest speakers. Refreshments were served and parents invited. This unit was done in conjunction with the 200th anniversary of the New Hampshire Constitution.

In June, grades 4, 5, and 6 went to Concord. We studied "Flood Plain Ecology" at the Society for the Protection of New Hampshire Forests, and in the afternoon we learned about "Slices of Domestic Life, 1780 - 1880" at the New Hampshire Historical Society. As in the past, the students enjoyed working with the specialists from the Harris Center. Intern, Tia Glagoleu did a special unit on birds. This fall Mike Zettek and Lori Kinsey have done several projects with the students. One of the most popular was a month long study on hawks culminating with a "Hawk Watching" trip to Pitcher Mountain.

Again, a special thanks goes to the Stoddard Fire and Rescue Department. Several members gave up a day of work to visit us during Fire Prevention Week. First, they surprised us with a fire drill, then they spent the entire morning working with the children. We saw slides and had an abundance of fire related activities. Joe Sarcione passed out packets to everyone. As a result we are all more aware of fire safety. Thank you.

It has been a good year at the James M. Faulkner Elementary School. As most of you know, Ann Fitz left after working here for five years. I would like to thank the parents, P.T.A. and townspeople for their continued interest and support. We are proud of our school and the education that goes on there. Please feel free to come and visit us.

Barbara K. Cutting

STODDARD SCHOOL DISTRICT NURSE'S REPORT

Good health is essential to everyone and it is important that our students are prepared for a healthy, as well as productive life.

Primary is the physical assessment of each student. Screening tests include: height, weight, measurements, vision and hearing tests and scoliosis screening. An individual cumulative health history is recorded.

The curriculum provides supplemental classroom education in the areas of environmental health, personal health and mental-social health by offering programs specifically focused on personal hygiene, nutrition, disease prevention and physical fitness.
